Savage Arts Council

The Savage Arts Council was founded in 2006 for the purpose of adding arts and cultural events to the growing south metro area, and building art appreciation and support for regional artists.

We are a community-based, volunteer-led, 501.c.3 non-profit organization that supports arts programs in Savage and the South/Southwest Twin Cities metropolitan market.

We have launched, funded, and/or managed multiple fine art events that successfully bring artists and art appreciators together.
